

A407HCS5

Jamo[®]
Danish Sound Design

Complete 5.1 Speaker System
with two Floorstanding A407
Speakers, a pair of compact
Surrounds, a dedicated Centre
and 8" 200W Active Subwoofer

Slim and elegant could easily describe the stunning design of the new A407HCS5 Home Cinema Solution from Jamo

The A407 Front speakers offer performance levels similar to traditional floor-standing models – with a much reduced footprint!

Jamo A407HCS5

... the details ...
